# MINDBODY®

PREMIER PRINTING BY TELE-PAK

- Keep all text within safety margins.
- Shaded area defines the "bleed".
- Fill the entire shaded area with your background color or image.
- Area outside of cut line does not print.

We'll be happy to answer your questions.

when folded:

ABC

IMPORTANT!
If your color or image touches this edge, then you must extend it to the blue line. This applies to all four edges, on both the outside and the inside. (BLEED 1/8")

IMPORTANT!
This is a safety area. Please do not let type or anything important go beyond the dotted lines - it runs the risk of being cut off in the diecutting process.
